MERU Seminar Series Série de conférence UREM

In search of cool answers to “What did you do in math today?”

Professor George Gadanidis

Faculty of Education, University of Western Ontario

Oct. 29th 2013 4:00- 6:00pm LMX 477

(en anglais seulement)

In collaborative work with teachers in K-8 research classrooms, we start our lesson planning with first imagining students answering the question "What did you do in math today?" by sharing a learning story that captures the imagination, and offers mathematical surprise and insight. Then we design activities to make this happen. I will share and discuss examples with videos from project classrooms.
